## Lewis County Cloud Applications

Lewis County had Bergmann Associates customize an ArcIMS website for them

This ran for about four years, before it looked like ArcIMS would become obsolete

A pilot project was formed with GIS Cloud for the Tug Hill Region

The first Lewis County application was created and hosted by the Tug Hill Commission in the Spring of 2013

The Lewis County application was then transferred to over to Lewis County in July 2013

A demonstration was done for different Lewis County departments following this
