

New York State Department of Transportation - Paid Summer Internships

NYSDOT is hiring: If you have ArcGIS experience and are interested in a well-paid summer position, please apply by April 19th.

Please submit a cover letter, resume, and unofficial transcript to Recruitment@dot.ny.gov. Hiring managers will begin reviewing information over the next several weeks, and will reach out directly if there is a match.

There are several exciting projects ongoing using ArcGIS Portal and the Collector field application.
