

Office of Mold Assessment and Remediation Job Posting

OMAR's mission is to support NYCHA in providing mold-free housing to its residents.

Key responsibilities include:

- Develop a desktop and field intake process for verifying and populating roof fan data.
- Populate a GIS/asset management database with roof fan data.
- Field visits.

Successful candidates will have:

- Burning passion to understand government data and its impacts on operations.
- Strong GIS editing and data management skills.
- Proficiency with Microsoft Excel and Access.

Duration: Approximately 18 weeks
Compensation: \$15 per hour
Location: 250 Broadway, NY, NY 10007

HOW TO APPLY

If interested, please forward a resume/cover letter to Latisha.Kinard@nycha.nyc.gov, by May 24, 2019.

While we sincerely appreciate all applications, only those candidates selected for interview will be contacted.
