

Cyclops UK Ltd USA Advert

Contract for a Field Surveyor for Cyclops UK Ltd

Eastern USA residents or those with working visas only

\$120 p/day with rental car / \$150 p/day with own car use

Field survey tasks involve the driving to specified locations to photograph and document the street furniture present, or lack of, by taking geocoded images (GPS smartphone or Camera required). All data is to be uploaded at the end of each day.

You will plan your routes, organise and upload data captured and logged, provide receipted expenses and supporting documentation so expenses can be processed accordingly.

All business expenses are covered, and hotel and food budgets are provided with a minimum hotel standard imposed for security and comfort.

A full days salary payment is made for a 'Rest Day' on the 6th day of a working period that exceeds 7 consecutive days of work and must be taken as this is provided for the safety of the surveyor. Normal living expenses are covered on this day also.

Applicant must have a credit card with sufficient limit to cover business expenditures which are fully reimbursed on invoice at the end of the month alongside all salary due.

As a contracted employee you are responsible for payment of any local employment taxes.

Requirements:

- Credit Card with sufficient limit
- Ability to rent a car
- Laptop & Smartphone
- Full clean Drivers Licence
- English speaking
